- Wednesday, December 10th → Resident Secret Santa Christmas Party @ Dr. Shannon Curtis'
- Wednesday, December 17th → 3rd Journal Club
- Monday, December 22nd → MSPEI Christmas Party
....UPCOMING. . . .

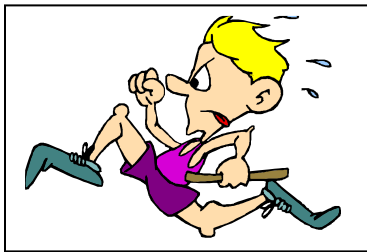

Spring Relay.....PCH vs QEH!!12 legs x 5km...Bed-Pan Trophy at Stake.....LACE UP!

We are currently working with Heather Matheson & Tracey Comeau of PCH and QEH fundraising foundations to organize a fundraising event that will unite

both Charlottetown and Summerside hospitals to raise money for medical equipment. The objectives of the event are multiple:

- Promoting a health-wellness initiative to the public
- Fundraising for medical equipment
- Union of PEI healthcare teams in a fun challenge
- Personal health & wellness

The details are still being reconciled, but the overall plan is for a relay between 2 groups of staff & residents (12 from PCH, and 12 from QEH), running in opposite directions from their proposed hospitals, with each participant completing 5km before passing on the baton to the next runner. They will traverse the 60.7km to the neighboring city hospital where a finish line will await to determine which hospital staff arrives first! Public participation and cheering along the route will be encouraged, and donation boxes/ collection sites will be set up beforehand at various local organizations, grocery stores, banks to encourage public donations in support of the initiative. Another potential idea is public donations for guesses as to which hospital will cross the

line first, with a draw afterwards from that group of people for a donated grand prize. Please note all of these details are still very preliminary and in the early stages, but the proposed date for the event is between April and June 2015. Please contact Joanne Reid with any comments/ details at joareid@dal.ca . Stay tuned for more details and get ready to lace up in the fun!!

Completely Random Facts About Your PEI Residents.....
