1.	<p>Welcome and land acknowledgement (2 min)</p> <p><i>We acknowledge that the lands on which we are hosting this meeting include the traditional territories of many nations. The CFPC recognizes that the many injustices experienced by the Indigenous Peoples of what we now call Canada continue to affect their health and well-being. The CFPC respects that Indigenous people have rich cultural and traditional practices that have been known to improve health outcomes. I invite all attendees to reflect on the territories you are calling in from as we commit ourselves to gaining knowledge; forging a new, culturally safe relationship; and contributing to reconciliation.</i></p>	Kristy Newson	12:10 pm 12: 15	Reference docs attached:
